Dear Parent/Guardian,

As a way of acknowledging their growing independence and young adulthood, Mystic Valley would like to offer high school juniors and seniors the opportunity to leave the building for lunch each day. This option would be exercised during their normally scheduled lunch periods and would require your consent. Students will not have access to their vehicles during this period, but they will be able to walk to nearby eateries if they desire. No food should be brought back to the building. The school may revoke the privilege if it deems necessary for any reason.

Please return this letter with your signature if you would like to allow your son or daughter to take advantage of this opportunity. If you have any questions, please contact Mr. Stone or Mrs. Fitzgerald.

Please note that this form must be returned on the first day of school in order for your child to qualify for off-campus lunch privileges.

Regards,

Matthew Stone

I give my consent for my child, ____________________________________________, to leave school each day during the lunch period to eat or buy lunch nearby (not to exceed a .25 mile radius from the High School Main Building).
